MAMMOTH RESORT AT VERANO HAS MANY ATTRACTIONS

Coney Island, With Big Theatre, Dance Pavilion, Bands and Seventy Concessions Ushers in New Era.

Sonoma Valley's new amusement known as Coney Island Amusement Park and Tent City opens today. The park is situated midway between Sonoma and Boyes Springs on the highway and covers several acres. The N. W. P. has a station on the grounds.

Opening day will feature the latest novelties and thrills furnished by 70 or more concessions, music by two bands, dancing at the pavilion, the latest pictures on the screen and eats at the best conducted grill in the west.

Messrs. Baron and Hall have spared neither time nor money to make this opening the sensation of the 1923 season for north of bay recreationists.

The Park has cost over \$100,000 and amusement devices running into thousands, have made Coney Island second to none in the country when it comes to a place of high class enjoyment.

A cordial invitation has been broadcast all over the county for the public to attend the opening day and night and this Saturday and Sunday will be red letter days at Coney Island.

MISS EMILY WIRTZ IS TALENTED ARTIST

Sonoma has an artist in talented Miss Emma Wirtz of whom the community can well be proud. In seeking out someone to draw a cover design for the Index-Tribune's June centennial number, the editor was referred to Miss Wirtz, of lower Broadway. The modest and retiring young artist agreed to draw the design and to the surprise of the entire staff brought in a cover which, for originality and finished workmanship, would be hard to equal anywhere. It has been pronounced a true work of art by all who have seen it. The drawing shows Indian types, the Mission and the old and new Sonoma.

A two color cut will be made of the drawing, after which the original will be auctioned off and the proceeds given as a bonus to the talented young artist.

Miss Emma Wirtz is a sister of Miss Adeline Wirtz of the Central Bank, and resides here with her parents.

OFFICIAL GIFT TO CITY FROM REDMEN

The bell which was put up on Sonoma's streets during the Redmen's convention when the town was all illuminated, was formally presented to the city of Sonoma last week as a gift from the lodge. The committee was thanked by Mayor Bulotti and the Board.

SONOMA RIDER IN PONY EXPRESS

George Millerick, the well known horseman, writes from Denver that he is lining up the pony express; from St. Joseph, Mo., to San Francisco. He was leaving for Salt Lake City on his trip westward.

New St. Francis Ceremonies Will Be Attended by Prominent Divines and Parishioners From Near and Far.

Tomorrow afternoon the impressive cornerstone laying ceremonies at the new St. Francis church will take place and it is expected that the local parishioners will not only be present in large numbers, but that people from nearby parishes will attend. Rev. J. Cassin will be here from Santa Rosa where for many years he has been the head of the local church and will officially represent Archbishop Hanna at the cornerstone ceremonies. Rev. Father Fleming of San Rafael will preach an appropriate and beautiful sermon.

The cornerstone will be laid at 3 o'clock and will mark the completion of the major part of the new church. The altars arrived this week and will be installed shortly.

W. H. HANGER DIED AT DAUGHTER'S HOME

Well Known Sonoma Resident Passed Away While Visiting Relatives in Santa Rosa.

W. H. Hanger, prominent old resident of Sonoma died Thursday at the home of his daughter, Mrs. Pomeroy, in Santa Rosa, where he had been visiting for several weeks. Mr. Hanger had been in frail health for some time past, following a stroke of paralysis.

About a year ago his devoted wife and life partner died suddenly of heart failure and the loss had weighed heavily on the bereaved husband. Although given the best of care and attention by two devoted daughters, he never recovered his health, and a final paralytic stroke Thursday, wrote him in the Book of Life for this beloved father.

Mr. Hanger was for many years in the dry goods and merchandise business, and before opening a store in Sonoma, had been in business at Petaluma, Pleasant and obliging in manner he made many friends during his business career. He was a devoted husband and father, a thorough home man and loved his family circle and his friends. For many years past he had resided here in the beautiful home built jointly by the Hunter-Hanger families, Mrs. Rae Hunter being his daughter. Another daughter is Mrs. Campbell Pomeroy of Santa Rosa with whom he was visiting when stricken.

The funeral will take place Sunday at 1:30 p. m. from the Hunter home.

SHOWER FOR MISS LAWRENCE, BRIDE-TO-BE

On Wednesday afternoon at the home of Mrs. Leland Brubeck, a shower was given Miss Alice Lawrence of Berkeley, who next month will wed R. L. Stanleigh.

The attractive young fiancee has been the guest of her sister, Mrs. S. A. Robinson, and the affair Wednesday in her honor was a most enjoyable one. Miss Lawrence was the recipient of a number of nice gifts.

Impressive Services Will Be Held At The Old Mission

Prominent citizens of San Francisco will meet in assembly room No. 217 of the St. Francis Hotel Monday evening, June 4, to commence preparations for an impressive and elaborate celebration during the Sonoma Centennial, on Sunday, July 1, in Sonoma. The centennial is to commence June 30, and will conclude July 4; the five days being given over to a pretentious program of Mission Plays, fiestas, Spanish ball and a dozen more attractions.

On Sunday, July 1, the religious exercises are to take place, and it is hoped to have this most important feature of the Centennial a fitting reproduction of the inspiring and intensely devotional services of the early Franciscan fathers, followers of Fr. Junipero Serra, founder of the California Missions. The old Mission Sonoma, founded in 1823, is the most northerly of the chain of Missions in this state, and its centennial celebration is expected to recall to mind the many beautiful customs and traditions of the early-day Californians.

Solemn pontifical high mass is to be celebrated in the open air, in the shadow of the old Mission, with three Franciscan fathers officiating in the mass. The musical service will be rendered by a male choir of 40 voices. Most Reverend Archbishop Edward J. Hanna of San Francisco will preach the sermon.

Preceding the mass, the thousands of visitors will parade through the principal streets of Sonoma to the site of the Centennial mass, with marching organizations, military bands and other features.

F. NICHELINI AND MRS. HOLPER WED

Well Known Business Man and Bachelor Weds Charming Widow Wednesday.

Sonoma friends of Florindo Nichelini and Mrs. Theresa Holper received a pleasant surprise Wednesday evening when announcement cards of the wedding of the popular business man and young widow reached them. Mr. Nichelini and Mrs. Holper were married here Wednesday by Rev. J. F. Byrne. They slipped quietly away to Santa Rosa in the morning where they took out a marriage license and returned here for the ceremony in the afternoon.

The bride has been a resident of Sonoma Valley for the past ten years and is well and favorably known in the vicinity of Buena Vista where she owns a ranch.

F. Nichelini is one of Sonoma Valley's old residents and leading business men. He was long identified with the viticultural interests of the valley and some years ago retired from the ranch to enter the mercantile line. He is a director of the Sonoma Ice and Brewing Company.

Congratulations: Mr. and Mrs. F. Nichelini!

Mrs. John Fox will entertain the White Shell club at her hospitable home for the next meeting.

A special train from San Francisco will convey a large number of the pilgrims to Sonoma on that morning, and other modes and routes of travel will bring many additional thousands to the quaint little Mission town, located in the Valley of the Moon.

Rev. J. F. Byrne, pastor of the St. Francis church of Sonoma, is in charge of the religious exercises of Sunday, July 1. The solemn and impressive services are expected to attract even greater throngs than the many other events of the Centennial celebration, and preparations will be made to accommodate from 12,000 to 15,000 people at the mass.

Many fraternal societies and other organizations will take an active part in the arrangements of July 1, among the societies whose members have signified their willingness to assist in the preparations for the great open air religious exercises, procession and the other events of July 1 at Sonoma being the Knights of Columbus, Young Men's and Young Ladies' Institutes, Catholic Order of Foresters, Third Order of St. Francis, Agnetians, Stelarians, Anzas, El Caminos, Miramara, Sale-Ans, Order of Alhambra, Ancient Order of Hibernians and many others.

An elaborate poster has been issued by the Sonoma Centennial committee, the four colored hanger showing a Franciscan friar looking down upon the Mission Sonoma, from one of the seven hills of Sonoma, with a faithful Indian at his side. The famous Sonoma moon is rising in the background and the fertile valley is shown in all its resplendent glory and prosperity.

DEPUTY SHERIFF RYAN REGAINS STOLEN MONEY

Gypsies Who "Blessed" Twenty-Dollar Bills of Local Barber Overhauled With Swag Near Napa.

Deputy Sheriff Ryan is again being praised for getting back stolen property, this time \$44 with which a band of gypsies decamped. The money belonged to Puggliese, the dapper barber employed by Tony Franchesci. The gypsy fortune tellers told the barber's fortune and also asked to bless his money. He fell for their incantations and when they had departed onlookers advised him to count his money. Puggliese found he was short two twenties and then he cursed his blessed money, shouted for the cop and Deputy Sheriff Ryan gave chase.

At Napa he got in touch with Sheriff Harris, located the roaming gypsies near Soscol and arrested them.

Ryan brought them before Judge Small, made them give back the barber's coin and the Judge fined them \$10 each. Four dollars taken from Franchesci's cash register was also recovered.

Mrs. Ed Steiger of Agua Caliente went to San Francisco Saturday on the S. P. She was called there in connection with business concerning the big estate of which she is one of the heirs.

Women's Club to Give Costume Affair Wednesday; Proceeds Will Go to Centennial Fund.

The proceeds will be donated by the club to the Centennial fund, the club wishing to contribute toward the project which has the support of the leading organizations of the valley.

The chairman of the card party committee, Mrs. Celeste G. Murphy, had to resign as she will be in the Yosemite the week of the affair. Others arranging for the party are Messrs. Clewe, Hatton, Leiser, Bartoli, Woodworth, Misses Grace McGimsey, Warthorst and others.

MISSION PLAY COMMITTEES SELECTED

Garnet Holme Outlines Drama of Early California and Assigns Work on Stupendous Production.

The Sonoma Mission Play has been outlined to the committee which will aid in the production of this great outdoor drama of early California and without reservation every member predicts a beautiful and stupendous production, probably in many respects one of the finest things ever done by Garnet Holme, its author. Mr. Holme himself is enthusiastic over the real ground upon which his drama is to be enacted and the realism of the background which adapts itself so truly to this theme. He believes it should be the wonder play of California history, comprising as it will the period of the padres, the regime of old Mexico, the rough and ready days of '46 and the triumph of the Americans.

The first episode of the Sonoma Mission Play will open with a scene in the nature of a prologue wherein the official plan to send Altamira hither is decided by the council. The succeeding scenes show the Spanish soldiers, Indian escorts and padres upon their arrival in Sonoma Valley of the Moon. Their encampment at night will be depicted. The planting of the cross will be shown. The third scene laid in 1824 will show the formal dedication of Mission San Francisco de Solano with church dignitaries, neophytes, Indians and the Russian exiles who came bearing gifts to the new church in the wilderness. The note of the coming downfall of the Missions is sounded. Father Altamira being in receipt of discouraging news of the trend of events.

The second episode will bring General Vallejo to the height of his glory as commandante of Sonoma, his alliance with the powerful Indian chief, Solano, his great influence from Mexico to California. The picture of the social life centering about the aristocratic Spanish families of the day, Vallejo's prodigal hospitality, a scene

EL VERANO NEWS

By ARCHIBALD McKIVER

Mrs. Fred Venton visited at the John Andrews home last week, returning to Oakland the first of this week. She was accompanied by her mother, who will spend several days with her.

An extra train over the S. P. consisting of 10 cars passed through here recently, spreading a poisonous fluid to kill the grass along the right of way. Cattle owners should keep their stock up as the grass, after the poison chemical is spread, is sure death to stock.

Miss N. O'Brien of San Jose is at her western foothill ranch, to remain for some time.

Captain Larson, at one time a leading seafaring man of the nation, steering the big war vessels, but now a resident of Sonoma Vista, is visiting relatives in Berkeley.

Captain Muldowney returned Sunday from a business trip to Alameda.

Two carloads of sheep were shipped by Grace Bros. from the local S. P. stockyards Saturday to San Francisco.

Colonel Robert Poppe, Sonoma attorney, was a Santa Rosa limited passenger for Vallejo Sunday morning.

M. P. Canaveri, S. P. fireman and former Sonoma boy, has been one of the 22 engineers and firemen selected from each division, to attend the annual convention of the International Railway Fuel Association, to be held in Cleveland May 21 to 24. This trip will afford the rail boys an opportunity to broaden their knowledge of the subject of fuel conservation. Representatives will be paid for all time spent in making the trip and all expenses will be paid by the Company. Canaveri's fuel saving during the year gained him the trip.

The Axfords of San Francisco are at their western foothill ranch for the summer months.

Tom Sweeney of San Francisco has been spending his annual vacation at the El Verano Villa.

Pat O'Grady, of Benicia, an elderly old gentleman who each year made the rounds at garden digging time, was found dead at a ranch on the Petaluma road recently. O'Grady's remains were sent to Benicia, where his relatives reside. The old man, who was about 70 years old, liked the roving life, and was a noted character throughout the state, having many friends in the numerous villages he visited each year. He was in El Verano recently and his death was a surprise to his many friends here. His sons are well known Benicia business men.

Dal Emparan, deputy assessor, was a visitor in El Verano recently and is now busy assessing the different properties. Our old friend Dal is a great booster for the coming centennial celebration in Sonoma and is all dolled up with a whisker which, when matured, will equal any yet viewed by the writer.

Beck & Brazil, new El Verano meat market proprietors, on last Saturday opened up a first class market. El Verano, which has been meatless for some time, welcomes the new butchers and we bespeak for them their share of the trade in Sonoma Valley.

T. H. Baines and wife and Misses Doris and Hazel Baines were visitors at the Burbank Jubilee in Santa Rosa last week.

Miss L. Howard, El Verano school teacher, who has been at the local school for some time, has accepted the Watmaugh school for the coming term. This is a gain for Watmaugh, but El Verano, when Miss Howard

leaves, loses one of the best and most popular instructors, with both pupils and parents, that we have had. The writer, and all El Verano, wish Miss Howard the best success in her new school.

John Nufer and family and Frankie Denny were motor visitors from Oakland over Sunday at Mr. Nufer's Sonoma Valley summer home.

E. R. Rocca has removed from San Francisco and will now devote all his time to his Verano ranch, going into the poultry, turkey and duck business on a large scale.

Mr. and Mrs. Fred Jensen and G. Madsen were visitors over the week end at their El Verano summer home.

Micky Walker, all around drummer boy, is back in town from Vallejo to remain for the season, playing at the Rossi Villa.

A. W. Knox, of the Traffic Rate Adjustment Commission, was here renewing old acquaintances, and registered at Paul's Resort. Knox was in El Verano 25 years ago and still remembered a number of the natives, who were glad to see him.

Paul Vannucchi, proprietor of Paul's Resort, transacted business in San Francisco last week.

S. Duising, dairy and poultry man, was a business visitor in San Francisco Saturday.

Henry Koerner was a latter end of the week business and pleasure visitor in San Francisco, attending a good old time German singing society reunion. At one time our old friend, Henry, was some singer, and tells the writer that he will stage a comeback in the singing of those old time songs which we all like to hear.

Mr. and Mrs. R. J. Dowdall and Mrs. K. Murray are enjoying the week at Dillon Beach.

Mrs. E. Bertaud and sons of Oakland were Sunday visitors at the J. Dowdall home. Mrs. Bertaud was a former El Verano girl, Miss Emma Redmond.

Boyes Springs ball park Sunday was crowded with ball fans. The St. Helena team opposed our boys and nine innings of real base ball were dished out to the audience. The visitors, as a result of their good fielding, out-generaled the locals. In all, both teams did good work, the score being 4 to 4, in favor of St. Helena.

Mr. and Mrs. O. Wilkinson and son Oliver were El Verano Burbank Jubilee visitors in Santa Rosa Saturday.

All roads will lead to Baron's new city of joy which opens today. Two brass bands will furnish music for the great occasion, which promises to be the most wonderful event put over in Sonoma Valley. No expense has been spared by the management in our new Coney Island and we predict that the new amusement park and tent city in Verano will be a big success.

The writer, on a visit to Agua Caliente Springs Sunday to interview the big fellow, Charlie Miller, in regard to the much talked of comeback of the fighting motorman, found Charlie in high spirits and elated over Jess Willard's comeback. Miller, 12 years ago,

in San Francisco, scored a decision over Willard in a four round bout. Clippings of that great battle were produced by Charlie, which stated that although Willard punished the Rumanian boxer, Miller sailed in on the big cowboy and at the end of the four rounds was declared winner. Miller has been at these famous health springs for three years and says the balmy climate, fine air and curative waters have given his strength and health, and, as he has been working out with the gloves, is as good as ever and wishes McKiver to tell his friends that he is serious in his hope to again get Big Jesse in a 20 foot ring. Miller today looks better than he did 12 years ago and tips the scales at 260 pounds. In the mind of the writer if Miller goes into training he will be successful and will have the backing of the entire sporting world. Charlie is 42 years old, the same age as Willard.

Mayor Bulotti, wife and little son attended the Santa Rosa celebration festivities last Sunday.

Mr. and Mrs. Ray Grinstead (Emily Poppe) and infant son motored down from Sacramento Sunday. Mrs. Grinstead has been visiting her parents here during the past week.

You Can Screen Out Summer Insect Pests

YOU CAN DESTROY the breeding places of Flies and Mosquitoes, as well as trap and kill many of them—and you ought to do so. But there will still be enough of these pestiferous insects left to make summer comfort out of the question if you don't screen them out of your home.

Flies and mosquitoes work in relays; flies by day and mosquitoes by night; and then there are the moths and other night flying insects. Your only protection from their assaults is screening of windows, doors and porches.

The annoyance caused by flies and mosquitoes is reason enough for screening them away from folks; but that is a trifle compared with the terrible losses in health and life they cause as carriers of disease.

You must screen early because a single last year's left-over female fly can populate a whole neighborhood. Mosquitoes are also prolific. Better let us measure your windows for screens today; doors, too, of course. And you'll be wise to make a summer room of that porch by screening.

We are at your service and we'll do the job right; but remember, flies and mosquitoes start early in the Spring and work fast.

The most precious thing in the world

Think what this world would be without confidence that the sun would rise tomorrow!

Without confidence in the order of things, in our fellow men, in our institutions, chaos would reign in the world. There would be no security, no progress, no happiness. Confidence is essential to all that is worth while.

Years of satisfactory experience with Red Crown gasoline have given the motoring public confidence in "Red Crown." They know that with "Red Crown" in the tank they have high-quality motor fuel, and that from it their engine will deliver its maximum power and mileage.

SUMMER SCHEDULE ON SAN RAFAEL FERRY

The summer 45 minute schedule of the Richmond-San Rafael Ferry is now in force. This was the announcement made last week by Charles Van Damme, president of the line. It means that the north bay counties and the east bay of continental side of San Francisco bay will enjoy faster service over the connecting link which operates between Richmond in Contra Costa County and Point San Quentin in Marin County.

The summer schedule gives continuous 45-minute service from Richmond from 7:00 a. m. to 8:30 p. m. daily and 10:00 p. m. Sundays and holidays and from 7:45 a. m. to 9:15 p. m. daily and 10:45 Sundays and holidays Point San Quentin.

This is a big improvement over the winter schedule and will do much to stimulate travel to and from the two sections benefited.

In addition to the above, Van Damme states that work on the new Richmond slip is being rushed to completion and when finished it will make possible an even faster schedule than is now in operation.

IRATE MOTHER ATTACKS PRINCIPAL OF SCHOOL

An irate mother whose 12 year old son had been punished by Principal Prestwood at the Grammar School visited the school and attacked the principal Monday morning. Mrs. Mattie Malenfant was the school teacher's assailant. She resides in San Rafael and upon finding out that her son had been given a whipping, with several other boys, tried to have a warrant issued for the principal. Failing of this, she went to the school and made the attack on Prestwood.

The principal of the school declares he punished the boys for indecent remarks to little girls.

MESSAGE FROM VALLEY FORD

Just a line to let you know that we are putting on our Second Annual Western Sonoma-Marin Dairy Cattle Show at Valley Ford, on June 1, 2, 3, and I want you to attend.

Well, if it was a dandy, this one will be a humdinger! All the good things we had at our first show will be retained and lots of new ones added, such as a horse shoe pitching tournament, a field day for school children, a dancing platform and many others.

Remember the dates—tell your friends. Spend a day at a wholesome, instructive and entertaining Show, where there will be no fakers, grafters or gougers, and where you will get a good run for your money.

Yours truly,
Honoria Toumey.

SANTA ROSA TO HELP SONOMA CENTENNIAL

Santa Rosa is planning to participate extensively in the Sonoma Centennial of June 30 to July 4.

The Chamber of Commerce Directors at their meeting recently voted to enter a float in the parade, and they asked that other Santa Rosa organizations act similarly.

The Rotary Club, the Lions' Club and others also probably will take part in the Sonoma celebration, which is expected to be the most pretentious ever held in this part of the state.—Santa Rosa Press Democrat.

DODGE SPORT MODEL IS POPULAR CAR

Never before, in the history of automobile merchandising, has the popularity of the sport model been so much in evidence as today.

According to J. H. Williams, Dodge Brothers Dealers in Santa Rosa, the demand for cars completely equipped with accessories and all modern conveniences, is taking these cars off his salesroom floor faster than it is possible to equip them. The Dodge Brothers stock touring car, equipped with disc wheels, bumpers, trunk rods, nicked radiator drum lamps, windshield wings, visor and numerous other indispensable accessories makes one of the handsomest as well as economical sport model touring cars put out by any manufacturer. The buying public today demands the finest there is in motor car value and the sport model, as equipped by Mr. Williams, is enjoying a very enviable sales record.

The car mentioned above was on display at the auto show in connection with the Luther Burbank Jubilee and attracted buyers from all sections of Sonoma county.

Some of the Sonoma Vista ladies gave Mrs. Bosserman a surprise party Sunday evening in honor of her birthday. A very enjoyable evening was spent and Mrs. Bosserman appreciated the love that prompted the party.

Those present were Mesdames Bidwell, Smith, Williams, Haas, Meek, Steurmer, Fritzen, Beach, Peters, Lane and Decker.

SONOMA BANKER WILL GO TO SWITZERLAND

Erwin Burkhardt, recently with the Mercantile Trust Company here, and before that with the San Francisco institution of that company, leaves on June 5th for Switzerland where he has accepted a position in Zurich, with a leading bank of that country.

Mr. Burkhardt will be accompanied by his wife, baby and mother-in-law, Mrs. Sophie Schaad. The Burkhardts have been in Sonoma about two months.

\$250 WORTH OF SHOES TAKEN MONDAY NIGHT

Officials are searching for the party or parties who broke into the George Moyle store at Kenwood on Monday night and carried away 30 pairs of heavy work shoes valued at \$250. Entry to the establishment was made through a rear door. Several pocket knives and other articles besides the shoes were taken.

BAND WILL PLAY FOR DECORATION DAY

Participating in Decoration Day's observance in Sonoma, the Sonoma Park Band under the direction of P. C. Meinhardt will play at the Plaza Wednesday morning and then will march to the cemetery where patriotic and sacred music suitable to the occasion will be rendered.

Mrs. Irving Shepard of the Jack London ranch has a baby girl which has been named Mary Margaret. The baby is a sister to Jack London Shepard, grand-nephew of the late author.

REVALUATE PROPERTY FOR CITY REVENUE

The Board of City Trustees continues to be criticized for the recent business tax which was imposed to increase public revenue and meet "an emergency," the nature of which does not seem to have been made very definite.

So pronounced is the objection and criticism in some quarters that leading Sonoma citizens have submitted to arrest in order to test the legality of the ordinance.

We believe that citizens generally would pay the tax willingly if they were convinced that it was an equitable and just burden and that the money derived therefrom was to be wisely expended for the improvement and betterment of our city.

Unfortunately a business tax is a revenue producing method fraught with obvious difficulties, for it is almost impossible to determine just how much each business should properly pay.

The safest and sanest method for the Board would be to have property values, now obsolete, re-appraised and

levy taxes thereon. The burden would then be more equitably distributed, instead of falling upon the business people alone. If all streets were well kept, our Plaza becoming a park and our city hall a model of civic house-keeping, we would more cheerfully be taxed.

If money is needed for sewer extensions or for taking of our bond issues, as the Trustees declare, they should most certainly have town property revaluated. Sewers and streets benefit property owners above all, and business and professional men alone should not have to make up the deficit in the public treasury for these purposes.

OLMSTED AS A PRISON DIRECTOR

The appointment of J. Emmett Olmsted of Petaluma to the Prison Board is a good one. Mr. Olmsted is a high type citizen and a keen business man. He will not be carried away by maudlin sentimentality in behalf of prisoners and he will be extremely valuable on the business side

of the conduct of our State penitentiaries.

SUPERVISOR LOWELL, WE NEED YOUR HELP

Supervisor Lowell and the Board of Supervisors collectively, Sonoma Valley needs your co-operation in having the roads over which you exercise control in the best possible shape for the coming centennial celebration. The people of Sonoma have put up a guarantee of \$10,000 to get the crowds here for the splendid occasion and many will come by auto. The roads in this vicinity should all be put in good condition, including the Petaluma stretch which on this side is now very rough, also the connecting link to the Napa highway and the upper valley road. The latter piece will not be fixed by the State until late in the summer. It should be planned and smoothed out the coming month.

We trust Supervisor Lowell will do his level best to help make the celebration the success good road conditions will assure.

GODDESS OF LIBERTY CONTEST HAS OPENED

Now get busy! Vote early and often!

The tickets for the Goddess of Liberty, Sonoma Mission Centennial celebration, June 30 and July 1, 2, 3 and 4 are ready and can be secured at any of the local stores where the card is displayed. Votes are one cent each. The contest is open to all communities in Sonoma county.

Much interest is already being displayed in this contest, owing to the fact that the goddess will be unveiled and will be surrounded by an enormous patriotic revue. An immense stage has been built for this particular presentation. Six countries will also be represented, chosen from the ones who receive the highest votes to the goddess. They will have principal parts in this great cast.

Now is the time to enter your favorite! The time is short as all the votes must be in and counted not later than June 23rd.

For further particulars, call or write official headquarters, General Director Sonoma Mission Centennial celebration, City Hall, Sonoma.

STAG DINNER AT THE GOLF CLUB

One of the social events of last week was a stag dinner and smoker given at the Valley of the Moon Golf and Country Club by a congenial group of members.

The dinner was cooked by that expert chef, Mr. Tanioran, of Boyes Springs and included a young roasted kid and other specials. Mr. Peterson of the bottling works was there with a case of the famous Boyes water and Rudy Lichtenberg passed around the Havanas.

The dinner was served in the former Bigelow mansion, now the country club's home. Everyone present had a jolly and long to be remembered time.

SONOMA FEATURED IN TRAVELERS' GAZETTE

Sonoma county and also our own Valley of the Moon, including Sonoma City, was featured in the last issue of the Pacific and Atlantic Travelers' Gazette. This is a high class publication and is a credit to its editor, Albert Rebel. The gentleman was in Sonoma Monday and called at this office.

The article on Sonoma Valley was nicely illustrated and also called attention to the Mission centennial.

Mr. and Mrs. Robinson (Dorothy Glaister) and little daughter are in the valley visiting Mrs. Robinson's folks, Mr. and Mrs. R. Thomas and Mrs. R. E. Murphy. Mrs. Robinson is a daughter of Mr. and Mrs. Mid Glaister of Santa Barbara.

GRADUATES IN MEDICINE

Dr. Elizabeth Davis received her degree in medicine from the University of California this week. She is at present at the University of California Hospital in San Francisco.

The young woman physician is the daughter of a pioneer Sonoma medic, the late Dr. H. H. Davis. Her mother is Mrs. Natalia Hope Davis, the well known musician.

Dr. Elizabeth Davis is a fine type of young womanhood who first devoted herself to nursing, and later decided to follow the profession of her father. She has specialized on the diseases of women and children.

LOCAL AND PERSONAL

Miss Florence Murphy spent the week end in San Francisco, where she attended the Chalopian Concert and also saw the Henry Miller production at the Columbia. Miss Murphy was most enthusiastic over Chalopian's voice and presence.

Miss Zolita Clerici will graduate from the Ursuline Academy at Santa Rosa next week. She graduates with high honors. Miss Clerici will take a prominent part in the Mission Play.

Fred Hansen, popular poultryman and one of the most successful in Sonoma Valley, went to San Francisco this week where he entered a hospital for an operation on one of his eyes.

Mr. and Mrs. W. T. Downey of the firm of Muller & Downey have purchased a home on Broadway.

Mr. and Mrs. Wirtz and family were among those who went to Santa Rosa Sunday for the Burbank Jubilee.

Mr. and Mrs. Will Thomas of Sacramento came in on the S. P. Saturday evening last for a brief visit with their relatives, Mrs. Pauli and son, Roy. Mr. Thomas was formerly a favorite singer when he resided in Sonoma, where he was bonded warehouse keeper in the old days. In Sacramento he has also sung with noted quartettes and mentioned while here that Jack Reid, he of celebration fame, is another basso profundo. Both have sung together in the capital city.

Mr. and Mrs. Tom Denny, accompanied by Mrs. Haskell of Petaluma, were guests at the dinner given Luther Burbank Friday of last week in Santa Rosa to which officers of the railroad, the press, reception committee members and friends of the horticulturist were invited.

Sonoma valley family resorts were well represented in the program of the picnic of the U. O. R. M., given May 20th at Mission Turner Hall in San Francisco. Among the Sonoma advertisers were Wm. Steinkamp, J. English, Mr. and Mrs. Spitzfaden, O. Schumann, E. Kruschutz, J. Steiner and B. Schrempf.

ATTACK ON STAGE COACH BY INDIANS

One of the big spectacular features of the coming Sonoma celebration will be the realistic portrayal of a stage coach attack by Indians. The Improved Order of Redmen from San Francisco have volunteered to come to Sonoma and furnish the Indians for the battle. The Redmen have costumes and their participation will add greatly to the success of the five days' program during the Centennial celebration.

An effort will be made to get the famous Pinto Indian ponies from the Wattriss-Serres ranch. These ponies are real Western horses and are well trained.

DEATH OF A BROTHER

Thomas Tierney was called to Ukiah this week by the sudden death of his brother, who left his home in Eureka to visit here and was taken fatally sick enroute. He died in a Ukiah hospital where he had been taken for treatment.

WILL BE DELEGATES TO N. D. G. W. CONVENTION

Mrs. Garry Bartoli and Miss Dorothy Breitenbach of Sonoma Parlor were elected delegates to the Grand Parlor of N. D. G. W. to convene at Stockton soon.

BEAR CAT TRACTOR DEMONSTRATION

The demonstration of Bear Cat tractors in Sonoma Valley this week attracted quite a crowd of interested farmers and farmers sons. The tractor won much favorable comment. "She's a bear" was heard on all sides.

Mr. and Mrs. Barker and two children have rented the Stofen residence on Broadway. Miss Stofen, the owner will board with the family.

Mr. and Mrs. N. J. Hughes of San Francisco and Miss Catherine Monahan of San Francisco were visitors at the Monahan home here this week.

SHE WAS BORN AT OLD SONOMA MISSION

Domitilla Metcalf, widow of the late I. Metcalf, and eldest daughter of the illustrious pioneer, the late Cayetano Juarez, passed from this life suddenly at the home of her son, Charles Metcalf, east of Napa Thursday morning.

Mrs. Metcalf had enjoyed her usual health up to the very end. A sudden stroke seized her as she was arising from her bed. She called to her son and he hastened to her bedside. Every thing possible was done for her, but the venerable lady breathed her last within a few minutes and before Dr. Myers, who was summoned, arrived.

Mrs. Metcalf was the oldest pioneer of Napa County. She had lived here continuously for 84 years. She was born 84 years ago at the Old Mission in Sonoma. When a child three months old, she was brought to Napa by her father, Cayetano Juarez, and lived in the old adobe which Cayetano Juarez's Indians erected just previous to that time. The old adobe still stands on the highway south of Napa, an interesting landmark of those brave old days in California.—Napa Register

NEW TRAIN ON S. P. IS PROVING POPULAR

As a result of the two trains on Sunday to Vallejo Junction on the Southern Pacific and the early arrival of the evening train, passenger business on the Santa Rosa-Vallejo branch is picking up as it was predicted it would. It is said not to be a far away hope that the old time two train a day schedule between here and Vallejo Junction will be resumed. The growth in population in the Sonoma Valley and the increase of business incident thereto, demands additional train facilities and it is hoped the S. P. will cooperate.

THE SONOMA MISSION ON THE CENTENNIAL CELEBRATION

There's an old Spanish Mission in a quaint little town,
That is known by its history the wide world round;
Stories it tells of the far bygone days—
Fashions and customs of old Spanish ways.
Stories of love, of devotions and hate
Are told by those walls of an old Spanish date.
Peals, as of music, the old Mission bell
Kings forth its chimes, o'er all casting a spell,
Where the Franciscan fathers once used to dwell.
With a message of peace and of good-will to man
In the healthiest, prettiest spot in the land—
Land of the moonbeams; their silvery light
Brings thrills of ecstasy all through the night.
Now floats o'er the Plaza the Flag of the Bear,
While ancient costumes in honor they wear,
The styles of Old Spain all seem to be there!
The old chief, Che-wah-neh, one May day morn,
Coming down from the mountains,
That clear, cool dawn,
Turned on his mount, and off in the haze
The old Spanish Mission first fell on his gaze—
A great adobe building, of Castilian type,
And grain in the valley all fresh, green and bright.
Quickening his steed's pace, he knew that full soon

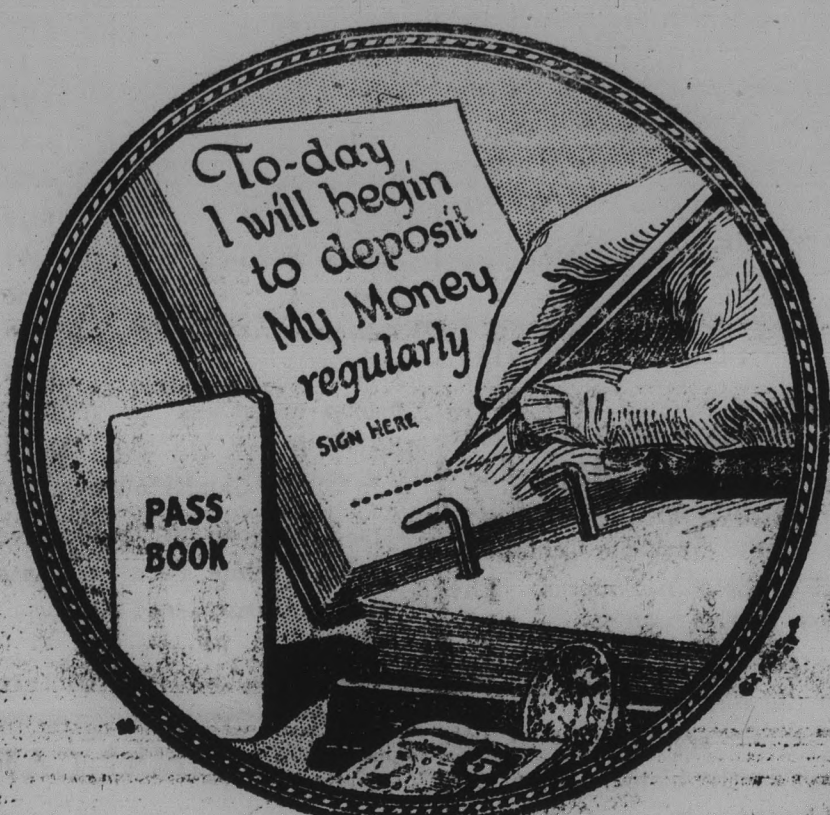

Reaching the valley, on the King's highway,
He and his followers paused on the way
And gazed with regret at their lost paradise
Which to them was their birthright,
To hold and to prize;
When clear on the air came the toll of the bell,
Which to the usurpers might mean "All is well!"
Well for the white men from south or from east
Who sat with his tribe at the welcoming feast,
Smoking the peace pipe as in days of old,
And dreaming of conquest in their land of gold.
Oh, woe to the redman when his white brothers came
To grasp and to hold this, their fairest domain!
The Indians soon to the mountains withdrew
But some to the padres and Mission were true.
What need on the acts of the old chief to dwell,
Or what on that historic morning befell?
The padres were vanquished and left far to roam
To the land of their dreams, forsaken, alone.
But they spared the old building, because of their fear
Of the Christians' great God they had learned to revere.
When at last just the Mission was left in their wake,
The bell disappeared, no one knowing its fate,
Until long years after 'twas found by kind friends,
Brought back to the Mission and placed their again.
And now when you take the next spin in your car,
The way to the Mission is not very far.
Come north and see, fifty miles from the bay
The Mission Centennial, its one hundredth birthday.
So come to Sonoma, friends, come one and all,
And give your support to this far Western call.

LESLIE R. PAYNE.

MISSION OWNERSHIP PROVEN BY SNYDER

Through H. B. Snyder, county recorder, the ownership by the State of California of the old Mission at Sonoma and the Greek chapel at Fort Ross was proven Thursday.
These two famous old landmarks were purchased more than 20 years ago by the Landmarks League. By the transaction Solomon Schocken of Sonoma made a deed to the Mission property, while the Fort Ross property was sold by the G. W. Call estate.
Together with other deeds from W. R. Hearst and the Landmark Fund, both these documents were filed at Santa Rosa to be held by the Landmark Fund for the benefit of the state. It was provided that in event of the discontinuance of this board the property go directly to the people of California.
By an enactment of the legislature

the state has accepted the gift. It is now hoped that the appropriations asked by Senator Slater for the Sonoma Mission and Assemblyman Donahue for old Fort Ross will be signed by Governor Richardson—S. R. Republican.
JOINS CENTRAL BANK FORCE
A. J. Smith, who started the Peño Grove branch of the Central Commercial and Savings Bank has joined the Sonoma branch, with which he will be permanently connected. His family will join him here about July first.
President H. G. Harrier of the bank and Geo. M. Caden, Santa Rosa branch manager, were in Sonoma this week conferring with the local advisory board and expressed themselves as much pleased at the growth the bank is making in this territory.

KNOCKER VS BOOSTER

Someone has said that when the Creator had made all the good things there still remained some work to do, so he made beasts and reptiles and poisonous insects. And when he had finished there were some scraps left, so he put all these together, covered it with suspicion, wrapped it with jealousy, marked it with a yellow streak and called it a Knocker.

This product was so fearful to contemplate that he had to make something to counteract it, so he took a sunbeam, put in the heart of a child, the brain of a man, wrapped these with civic pride, covered it with brotherly love, gave it a mask of velvet and a grasp of steel, and called it a Booster; made him a lover of fields and flowers, and manly sports, a believer in equality and justice, and ever since these two were, mortal man has had the privilege of choosing his own associates.

WOMAN'S CLUB NOTES

At the social meeting last Friday afternoon of the Woman's Club, Prof. E. J. Lee of Berkeley gave an interesting address on the subject of adulteration of foods and drugs. Mrs. Irene Castagnasso was hostess and served delicious tea cakes and candy.

On Wednesday the County Convention of Women's Clubs met at the club house at Rincon District near Santa Rosa. Mrs. Mae Marius of Sebastopol presided and after the regular meeting Mrs. Carrie Burlingame took charge of the program. A fine basket luncheon was served at noon and the Rincon ladies proved ideal hostesses. Quite a delegation of Sonoma club ladies in centennial costume accompanied Mrs. Burlingame, including Mesdames Hays, G. Lowell, Watt, Clewe, Leiser, Bartoli, Clements, Woodworth, Hotz, Hunter, J. Picetti, Tate, Wicker, Adler and Holabaugh.

EL VERANO VILLA

The regular annual opening for the season of 1923 of El Verano Villa, Sonoma Valley's pioneer resort, will take place on Saturday, June 2nd. The manager, Louis LaMotte, who has been connected with El Verano Villa for the past 22 years and has been proprietor for the last 14 years, extends a cordial invitation to his many friends and the public to be present. There will be dancing to a good orchestra with free admission the opening night. Other nights a charge of 25c to gentlemen will be made for the dance. The dance pavilion has been put in excellent shape, the floor planed and sandpapered and the orchestra at the Villa is first class.

Mr. LaMotte reports the outlook for the 1923 season excellent and has many reservations for the season.

PETALUMA BOOSTS FOR CENTENNIAL

Secretary Kerrigan of the Chamber of Commerce has received a number of posters sent here by the committee in charge of the Sonoma Centennial which will be held in Sonoma. The Mission Play, which will be produced during the celebration will be staged in front of the old Mission. The setting will be laid amid scenes of the pioneer days in the historic town.

A large cross has been placed on the side of a hill near Sonoma, which is brilliantly illuminated at night as an advertisement of the approaching Mission Play and festival.

A large delegation of Petaluma people will attend. Last year Sonoma exhibited a beautiful float, the prize winner in the Egg Day parade and this city will reciprocate by doing her part in helping to make the Centennial a success.—Petaluma Courier.

Increase the Salability of your Home -

THERE'S no doubt about it, paint helps sell homes or rent them. There's something attractive about fresh paint, just as there is about a new suit of clothes or a brand new car. The increased selling price, also, yields a profit on the painting job.

Most householders keep their homes painted because a good appearance attracts prospective purchasers. They call in a master painter now and then, to keep things "up to snuff."

All Fuller products are of consistently high quality. They flow easily, cover well, and really "save the surface." When painting use Fuller House Paints, Enamels, Rubber Cement Floor Paints, Varnishes, Pioneer Shingle Stains and Concreta (for stucco, concrete or brick surfaces). Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose. Write, today, to our Service Department. Ask also for our "Home Service" booklet.

MISS GOODMAN'S AUNT IS SERIOUSLY INJURED

One of the most widely known residents of Petaluma, Mrs. C. H. Dillon, widow of the late Judge Dillon, who has resided for many years at 523 B street, is at the Petaluma General hospital, recovering from serious injuries sustained when she was struck and run down by an automobile. Mrs. Dillon is under the care of Dr. Peoples and there is every hope for her recovery, although she is very badly injured.

Two bones in her left arm between the elbow and wrist are fractured and the arm has been placed in a cast. Her lower limbs are badly bruised and she is suffering from the shock. Mrs. Dillon's glasses were broken into several pieces but her face was not cut. She was rest comfortably the first of the week. After the accident Mrs. Dillon was removed to a Chico hospital, making the trip in an ambulance.

Mrs. Dillon was enroute to Portland Oregon, with her relatives, Mr. and Mrs. W. T. Carey, of San Anselmo, who had driven the car to the side of the highway when they reached a point near Chico when something went wrong with the brakes. The women in the party alighted while repairs were being made by Mr. Carey. Mrs. Dillon crossed the highway to a farm house to get some water and it was on her return that she was struck by a car which was occupied by two women, residents of Corning. As the machine struck Mrs. Dillon she was thrown from the highway into some soft dirt alongside of the pavement. After the accident the car which hit Mrs. Dillon collided with the Carey

car, damaging it. The woman driving stated she was unnerved and lost control of her machine after having struck Mrs. Dillon. The women gave their names and assisted the injured woman.

It was at first thought that Mrs. Dillon was fatally injured. The trip was abandoned and the party left for Chico, where Mrs. Dillon remained until brought home in the ambulance. —Petaluma Argus.

A PLEA FOR THE MISSION

The Sonoma Mission is in a queer position. While the center of all the excitement and object of particular attention because of the coming centennial in its honor, the Mission is actually broke. Behind the gaiety of the approaching fiesta, the Mission is in sadness. It cannot even put its best foot forward for the weeds and grass cover the grounds surrounding the hallowed landmark. A while back, during all the community chest drives in other towns the Mission heard the cry: "Suppose nobody cared?" And now with hopes of a \$4000 state appropriation fading, with local funds for its upkeep exhausted and the local committee owing the caretaker \$100 back pay, the Mission looks sad.

The landmark is the property of the state, and should be kept up and maintained thereby, but the economy which must be practiced in California affects this as well as other public projects, hence the dilemma.

Perhaps if Sonoma goes well over the top with its centennial and there is a surplus the Mission may be tided over the lean days which have followed an orgy of spending in California.

THE UNIVERSAL CAR

Announcement of Interest to Millions of Families

"I will build a car for the multitude," said Henry Ford in 1903. Read how the fulfillment of that prophecy is made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the FORD the universal family car—to put it within the reach of the millions of people who have never been privileged to enjoy motor car ownership. During the past fifteen years over 7,500,000 Ford cars have been placed in the homes of retail customers—more than a million and a half of them within the past twelve months—and yet there are millions of families who are hopefully looking forward to the day when they can own a Ford.

And Now the Way Is Open

Under the terms of this plan you can select your Ford car, set aside a small amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks, where it will draw interest. Think it over. Five dollars will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little.

Why not start today. Stop in and talk it over with your local Ford Dealer. He will be glad to explain the details of the plan and help you to get started toward the ownership of a Ford Car.
